

Join our Team: Quality & Technical Assistant

The Role

An exciting opportunity has arisen at our Head Office for a Technical Assistant to join our Quality and Technical Department.

The successful candidate will be part of a small but busy team and will be required to perform routine analysis of incoming raw materials and outgoing products and action non-conformances accordingly. They will be required to co-ordinate and carry out technical projects and communicate findings to the management team.

You will need to be a resourceful team player who works well under pressure, has excellent communication skills and a can do attitude. Experience in a ceramic manufacturing laboratory along with a degree or an equivalent qualification in chemistry would be desirable. A full clean driving licence is essential to the role, as is the ability to work a flexible work pattern to accommodate projects.

Our Company

We are a successful company who believe that working together as one team will ensure that we achieve our Vision – 'To be a leading force in the global homewares sector growing our great British brands'.

What you will need to be successful:

Enthusiastic and team motivated with excellent time management, communication and problem solving skills

If you are confident that you have the pace, enthusiasm and commitment required to make a full contribution to this vital part of our business please send your full CV to: scooke@portmeiriongroup.com

Closing Date: 24.05.19

Please note: All applications will be processed within two weeks of the closing date. We reserve the right to close this position earlier than the published date should we receive a high volume of applications. The data collected by the submission of your CV is for the purpose of processing your job application and for statutory purposes. For more information please refer to our Employment Privacy Policy which can be found at www.portmeiriongroup.com and includes further information about processing of your personal data and your rights.
